Warranty Terms

Manufacturing defects for non-movable parts would be covered under warranty for 1 year from the billing date. For all bought out items, the original manufacturer's warranty terms and conditions would be applicable. No warranty for movable parts and electrical parts as they are subjected to wear and tear due to usage and operator's handling. We will not be responsible for any accident or damage caused by improper handling, misuse or non-maintenance of the machine or accessories. During warranty period, if we replace any faulty component by new component, the faulty component becomes our property so customer must return the same to us. To & fro travelling expenses, lodging & boarding expenses / allowances will be charged for commissioning of machine as well as for each subsequent service.

Terms & Conditions

1. Inspection, if necessary, the goods will be offered for inspection at our works on the client's cost.
2. Proveg will retain ownership and title to the delivered goods and equipment until Proveg has received payment of all amounts owed by the buyer under the contract.
3. Installation & trial run charges mentioned are for one visit. If buyer site is not ready when team reaches for installation and commissioning, then team will move from site after three warnings and next visit will be chargeable, and it will take 50 working days to appoint person for installation and trial.
4. Any change in specification from the client will be charged extra.
5. Once order is placed it cannot be cancelled at any stage and advance/token amount is non-refundable.
6. Price quoted is only for the items offered. All other items will be extra.
7. If client delays in picking the ready material, then seller has right to deliver that product to another buyer after 3 reminders. Token/advance amount will be non-refundable.
8. If point 11 applies, then for next dispatch minimum 70 working days will be required after client information. In that case any market price hike will affect the order value and client will have to pay the difference, if any.
9. If client delays in picking the material for more than one month after 3 reminders, then demurrage charges will be applicable at 2% per week of the total order value, which is non-negotiable.
10. Client will provide storage room with lock and key for all consumables and important items.
11. If equipment is delivered to client and commissioning is delayed, client will have to store the equipment in proper security and proper storage conditions.
12. Liquidated damages are not accepted.
